

Corporate Fundraising package Spring 2018

Quote from someone in business/ company who have previously worked with us and a picture of volunteering

Your customers are the centre of your business, and our community is the centre of our work at Trinity.

Trinity attracts the most diverse audience of any arts centre in Bristol, the people who use our space and access our services trust us, and share their most intimate and exciting moments here.

By partnering with Trinity, you could have the opportunity to engage with a wide demographic of people in Bristol. Our building is in the centre of East Bristol, and attracts people of all faiths, ages and interests. We have been developing relationships with our community for over 175 years.

A partnership with Trinity could also offer your company

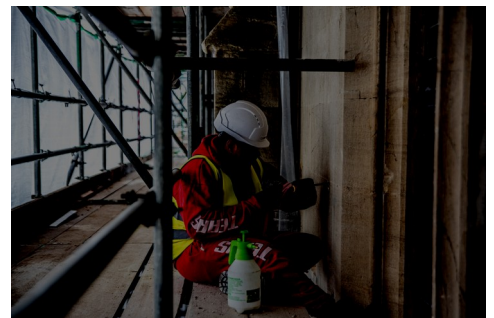

- Dynamic volunteering opportunities, tailored for your staff can see the difference they are making
- Access to internationally renowned musical talent
- Free tickets to shows
- Prominent brand recognition opportunities, accessing our 55,000 strong audience members
- Discounted space hire for events and meetings
- Access to our beautiful on site garden
- Relationships with our friendly and knowledgeable staff
- Cultural and fun social activities for clients and staff at our events
- Opportunities to meet service users and to see how your donation has helped their progress

We are seeking corporate partners to support our building works. In 2017, scaffolding was erected to undertake the final phase of major works to repair the fabric of the Grade 2** Listed building. During these works unforeseen historic damage to the building was uncovered; the stained glass windows were found to be no longer watertight, and the metal cramps, holding the historic Bath Stone in place, were found to be critically corroded, **leading to an additional £200,000 of costs.**

We still need to raise £135k to protect the future of the building. **By raising funds with your company, you can help to secure Trinity's past, future and present.**

Your company can make a huge difference in directly supporting our building works, helping us to safeguard the future of Trinity, so that we can continue to provide opportunities for people like Davontay, one of our two interns working on the heritage project. Through his internship, Davontay is gaining hands on training to learn the fundamental aspects of conservation work.

The Conservation & Maintenance Assistant internship is my first job. Perfect for me, as not only will it tie into what I would like to do as a career, it will help me to gain more skills in my passion and will definitely give me a better start in life. I am used to being around a diverse range of people, and working in a community setting... I would like to be... a great role model to young boys in the future.- Davontay

By making a donation of £500, you and your company will be ensuring that future generations can find community and opportunity at Trinity. In exchange, your company will

Corporate Fundraising package Spring 2018

be able to exhibit at Trinity's famous Garden Party on 13th May. By exhibiting, your company will gain direct access to the 5000 local people who attend each year. The Garden Party is the perfect opportunity to grow your brand recognition and loyalty with the people of Bristol, and to provide a fun and unique volunteering day for your team.

We only have 5 packages available for the Garden Party, so please get in touch with molly@3ca.org.uk to take us up on our invitation and to get a feel for what a partnership with Trinity feels like.
