TRINITY FUNDRAISING GUIDE

Trinity Community Arts is a leading community arts charity in Bristol. We believe everyone should be able to access and shape arts and culture in the city.

Based in the Trinity Centre, this much-loved community arts hub and live music venue is visited by over 60,000 each year. We provide over 3,000 hours of free and subsidised space for community activities.

By choosing to fundraise for us, you are helping to make sure Trinity remains a **Centre for the People**.

Your support will help us:

- repair and conserve the building for future generations
- provide free space for grassroots groups
- deliver projects & music training to those who need it most
- develop people's skills & enhance their well-being

THANK YOU FOR SUPPORTING TRINITY!
